## **FEE CONCESSION POLICY**

### **INTRODUCTION**

Maharani Lakshmi Ammanni College for Women, has been providing quality education to girl students from various strata of society. The core values provide a framework to ensure that education to deserving girls who seek admission at mLAC is not denied. Many girls who are keen on pursuing courses at mLAC and wish to build a career in the field of their choice, may not be in a position to fulfil their dreams due to financial constraints. The Fee Concession Policy provides a guideline to support students from low-income groups and first-generation learners in order to motivate them in their academic pursuits. This Policy is also aimed at encouraging meritorious girl students to seek admission to mLAC and sustain high levels of performance.

### **OBJECTIVES**

- To ensure that no girl child is deprived of education due to financial constraints
- To motivate academically bright students to pursue higher education in the course of their choice.
- To provide impetus to sports, arts & culture and emphasize the need for holistic development of students.
- To provide support to first-generation learners in their pursuit of higher education

### **BASES FOR FEE CONCESSION**

- General Merit
- Merit cum Means
- Economically weak
